Tim

The risk assessor is working from home today and I am not sure where he is with the reviews on the other three documents. The last time we talked about it he was going to try to complete the reviews on the other three. I would like to be able to discuss them if possible.

Thanks

Brian,

Is the call tomorrow merely to discuss AOC-4 SLERA, or will we be discussing the other three documents as well.

I just want to make sure we are properly prepared for the call.

Sincerely,

Tim
